He probably can't either. Do you have some times after that that she could do so I can try to coordinate with his schedule?

Nick:

FYI - Jessica really can't do this meet until the first week of April. She out tomorrow and Friday, and two days next week for Access Sacramento.

Thanks,

S

Hi Randy,

I'm following up on this to see about your availability to meet sometime in the next few weeks.

Thanks.

Nick

Randy,

As per Tom Sales' note below, he's supportive and says you're the key person for us to be working with, so let's go ahead and set up a meeting for you, me and Jessica to discuss in more detail.

I'm available next Mon-Wed, out of town Thurs-Fri – back and available the following week. I'm copying Shawn Bratton who can help with Jessica's schedule.

Thanks.

Nick

Subject: Re: Urban innovation outline

Jessica,

Got it. Looks very interesting. Not sure what I can do other than support the idea. Randy is the right person to continue working with. I would think among your list of potential USC partners Dean Knott and Price would be the most important. Let me know how I can help.

Tom
